

Royal® Spec Series™ Trim

Spec Series Trim pairs perfectly with Celect® Siding.

While Spec Series Rigid Vinyl Trim is a great match for Celect Siding, it's equally well-suited to an array of vinyl siding, including fiber cement. It has a factory-finished resin coating and components are available in outside corner posts, inside corner posts and wide-faced trim.

Features

- 5/8" board-like appearance
- 2" deep pocket
- 3/4" pocket width
